

O'Donnell, Weiss & Mattei, P.C.

The Estate Administration Department of OWM Law is pleased to present a **FREE** Educational Workshop on:

You've Been Named An Executor, Now What?

When: Wednesday, November 15, 2017, at
7:00 p.m. to 8:00 p.m.

Where: Coventry Mall – Community Room
351 W. Schuylkill Road
Pottstown, PA 19465

This Workshop will focus on the process of estate administration and the responsibilities of an Executor.

Someone, maybe a family member, has honored you by naming you as the executor in his or her Will. You are hoping that honor does not result in an actual job for many years; however, many people wonder, what exactly does an executor do? What is probate? What am I asking of my named executor or what is being asked of me as an executor? Is it preferable to name co-executors? What type of liability does the executor take on? Does an executor need to consult a lawyer?

These and other questions will be explored during this workshop given by members of the Estate Administration team at O'Donnell, Weiss & Mattei Law.
